Pharmacology:-

Subject: Report on Workshop on Research

Methodology, Good Clinical Practice (GCP), Good Laboratory Practice (GLP), Bioethics and Pharmacovigilance
Conducted for First Year

Postgraduate Students as per NMC Regulations

Respected Sir,

The Scientific Committee in association with the Institutional Ethics Committee successfully

conducted a two-day workshop on Research Methodology, Good Clinical Practice (GCP),

Good Laboratory Practice (GLP), Bioethics and Pharmacovigilance for first-year

postgraduate students (MD/MS) on 9th and 10th April 2026 at the MEU Hall, B Block,

Kanachur Institute of Medical Sciences.

The workshop was organized in accordance with the NMC-PGMER 2023 regulations, which

mandate training and certification in research methodology and ethics for postgraduate students

to ensure eligibility for university examinations and to strengthen academic and research

competencies.

A total of 60 first-year postgraduate students and 01 final year post graduate student from

various departments actively participated in the program. The workshop focused on developing

research aptitude, ethical clinical practices, scientific writing skills, awareness regarding

pharmacovigilance, and regulatory requirements in biomedical research.

Community Medicine :-

Event Report (January 2025 - March 2026)

ACTIVITIES CONDUCTED/CO-ORDINATED**HEALTH EDUCATION SESSION**

Topic	Date	Place	Speaker	Attendees
Health awareness session on anemia, menstrual hygiene, disposal of sanitary waste and self breast examination	25.09.2025	KHRC, Mangaluru	Dr. Shwetha Dr.Fathma Dr. Mubashira Dr.Farsana	Students of Kanachur institute of management and science.
Health talk on nutrition, stress ,anxiety, PCOS	20.11.2025	Kanachur PU college auditorium	Dr.Shwetha Dr. Fathma	Kanachur PU college students
Cancer awareness program on breast and cervical cancer	18.2.2026	MEU hall, Kanachur medical college	Dr.Shahul Dr. Fathma	House keeping staffs of kanachur hospital

ENT :-

REPORT OF SYMPOSIUM ON OSA – DEPARTMENT OF ENT

The Department of ENT organized a symposium on Obstructive Sleep Apnea (OSA) on 24/10/25

at Kanachur Institute of Medical Sciences. The aim of the program was to enhance awareness

regarding OSA—its pathophysiology, clinical presentation, diagnosis, and management.

The program was conducted at Drome 1 of Block B building. The event began at 9:30 a.m. with

a recitation from the Quran to invoke blessings. The Masters of Ceremony for the program were

Dr. Poojitha and Dr. Prithvi. It was followed by the Nadageethe to mark the start of the academic

session. The welcome address was delivered by Dr. Ashok Kumar M.R, HOD Department of

ENT

A formal inauguration was done by watering the plant, graced by the presence of the Chairman

and Director of KIMS, Mr. Abdul Rahiman, who delivered the presidential address. The guest speakers Dr. Vikas k Agrawal, Moderator of panel discussion Dr. Gautham kulamarva were felicitated & Dr. Anjan Kumar A N, MS, KIMS introduced the guest speaker. Dr. Anet introduced the other speakers.

A series of insightful academic sessions followed. guest speakers included Dr. Vikas k Agrawal, delivered talk on “Unraveling the Complexities of OSA.” This was followed by a comprehensive lecture on the pulmonary aspects of OSA by Dr. Megha S, Assistant Professor department of Respiratory Medicine, and on Facial Skelton and its Impact on airway Dr. Musthafa K., HOD Department of OMFS. The sessions culminated in an interactive panel discussion moderated by Dr. Gautham Kulamarva, which brought together a multidisciplinary perspective. The event concluded with a vote of thanks by Dr. Anisa, followed by the National Anthem.

KIMS Diabetes Update 2025–26

The 5th edition of KIMS Diabetes Update was held on Saturday, the 29th of November 2025 at KIMS Auditorium from 8:30 AM to 5:30 PM. The program which was awarded two KMC credit hours by the Karnataka Medical Council, was inaugurated by Haji Dr. U. K. Monu, Chairman, KIMS. In his speech, he complimented the Department of General Medicine for successfully conducting the 5th edition of KIMS Diabetes Update. Also present on the occasion were : Prof. Dr. Mohammed Ismail (KMC observer), Prof. Dr. Shahnawaz Manipady (Dean, KIMS)

Prof.Dr.B Devdas Rai (HOD, Dept. of Medicine and Chairman of the organising committee)

Dr.Shreekanth G Hegde,(Secretary of the organising committee),& Dr. Rohan Monis

The resource persons of the CME were Dr. Sowrabha Bhat, Dr.

Prashant Hubballi,

Dr. Sudeep K, Dr. Akhila Bhandarkar, Dr. Vijaya Kumar and Dr.M Pragnya.

They spoke on different aspects of Diabetes Mellitus, which were well appreciated by the delegates.

A quiz on Diabetes was also held in the CME.

127 delegates participated in the CME.

Nausheen and Ahaad of Kanachur Institute of Medical Sciences win the 5th KIMS UG Mediquiz 2025–26

Ms.Nausheen & Mr.Ahaad won the 5th edition of the very successful KIMS UG

Mediquiz 2025–26, which was held at the KIMS Auditorium on Saturday, 27th of

December 2025, from 10:00 AM to 11:00 AM.

Mr. Surya Shridharan and Mr. Atheef Sathar, of Yenepoya Medical College won the

second prize. 56 MBBS UG teams from Karnataka participated in the Kahoot Mobile-

App-based quiz, which was on Internal Medicine topics.The quiz was well conducted

by the quiz master and Head of the Department of General Medicine, KIMS,Prof. Dr.

B Devdas Rai, The Prizes were distributed by Prof.Dr.MV Prabhu, Member,KHSAC.Dean, KIMS Prof.Dr.Shahnawaz

Manipady,&Incharge Medical

Superintendent KIMS Prof.Dr.Kiran

KIMS PG MEDIQUIZ 2025-26

KMC Manipal Wins State-Level 4th Edition of KIMS PG Mediquiz

KMC Manipal won the State-Level 4th Edition of the KIMS PG Mediquiz, which was held at the KIMS Auditorium on Saturday, 17th May 2025, from 10:00 a.m. to 11:00 a.m.

A total of 28 colleges from across the state participated in the Kahoot Mobile app-based quiz, which was conducted on General Medicine topics for MD General

Medicine postgraduate students.

The Quiz Master was Prof. Dr. B Devdas Rai, Head of the Department of General Medicine, KIMS.

The prizes were distributed by Prof. Dr. Mohammed Ismail Hejamady, Chairman, KHSAC; and Prof. Dr. M V Prabhu member KHSAC; Prof. Dr. Shahnawaz Manipady, Dean KIMS. And Prof. Dr. Harish Shetty, Medical Superintendent of KIMS.

The first prize was bagged by Dr. Adhithi Rao and Dr. Sai Bhavani Reddy of KMC Manipal

The second prize was bagged by Dr. Vinayak S. K. and Dr. Raghavendra D of Kanachur Institute of Medical Sciences

The 3rd prize was bagged by Dr. Varun Shetty and Dr. Abhin Rai from AJ Institute of Medical Sciences

Guest Lecture

Talk on Technological Advances in the Management of Diabetes Mellitus

The Department of General Medicine, Kanachur Institute of Medical Sciences, organised a Guest Lecture on Talk on “Technological Advances in the management of Diabetes Mellitus” by Dr. Suresh Baliga MD, MRCP, Director, East Alabama Endocrinology, P.C Associate Professor

of Medicine, Mercer University, USA on 12/02/2025, Wednesday
@KIMS
Auditorium, Hospital Block, from 10AM to 11AM. Dr. Suresh Baliga
dwelt
extensively on the recent advances in the management of Diabetes
Mellitus. Present on the occasion were Prof. Dr. Mohammed Ismail
Hejamady, Prof. Dr. MV Prabhu, Prof. Dr. Shah Navaz Manipady,
Prof. Dr. Harish Shetty, Prof. Dr. B Devdas Rai, Dr. Rohan Monis and
Dr. Anjan.

Guest Lecture on "Connecting the Dots"

By Prof. Dr. Raghavendra Bhat, Professor
of Skills Lab & General Medicine Department, Medical
College, Alain
Prof. Dr. Raghavendra Bhat, Professor of Skills Lab &
Department of General
Medicine Department Medical College, Alain, delivered a guest
lecture on
"Connecting the Dots" (A Talk based purely on clinical
examination) on 10/06/2025
(Tuesday) from 10:00 AM to 11:00 AM. His talk was organized by
the Department of
General Medicine, KIMS as a part of the Guest Lecture series of the
Department. Present on the occasion were Prof. Dr. Mohammed
Ismail, Chairman
KHSAC; Prof. M.V. Prabhu, Member, KHSAC; Prof. Dr. B. Devdas
Rai, HOD, Dept. of
General Medicine
All the staff, PGs, and UG MBBS students posted to the department
attended the
Lecture

OBSERVATION OF WORLD HYPERTENSION DAY BY THE DEPARTMENT

OF GENERAL MEDICINE KIMS ON 27/05/2025
World Hypertension Day 2025 was observed by the Department of
General

Medicine,KIMS @KIMS Auditorium from 10am to 11am on Tuesday,27/05/2025

.Prof.Dr.Sayid Mohammed Khilar,Cardiologist of KIMS delivered a lecture on

Hypertension.He spoke elaborately on the various aspects of Hypertension, Prof.Dr.B

Devdas Rai, Head of the Department of Medicine KIMS welcomed the gathering And

spoke about World Hypertension Day.Also present on the occasion were

Prof.Mohammed Ismail Hejamady Chairman KHSAC ,Prof.Dr.MV Prabhu member

KHSAC ,Prof.Dr.Shah Navaz Dean KIMS and Dr.Anjan Kumar incharge MS

,Dr.Preetham Senior Resident Department of General Medicine proposed to vote of

CME AND HANDS ON WORKSHOP ON ILIZAROV

Department of Orthopaedics, Kanachur Institute of Medical Sciences conducted a CME Programme and Hands on workshop on Ilizarov on 26th April 2025. Nearly 300 Delegates Registered for this CME Programme. This CME Programme was conducted under the Aegis of Association for the Study and Application of the Method of Ilizarov (ASAAMI, India).

Eminent zone National faculties like DR.P.N. Vasudevan, DR. Cherian Kavour, DR. T. K. Jeejesh Kumar and Local Faculties like DR.Dileep K S, DR. Ahmed Rizwan C M were actively involved in Case Discussions, Panel Discussion and Hands On workshop. All the Consultants and Post-Graduate Students from various Medical Colleges attended the Programme and were enriched with the Practical Application in Ilizarov fixator.

OBG :-

DEPARTMENT OF OBG

The Department of OBGYN, Kanachur Institute of Medical Sciences (KIMS), in association with KCOG and the Mangalore Obstetrics & Gynaecological Society, successfully organized a one-day academic conference titled “Future in Focus: Genetics & Regenerative Therapies Redefined” on 3rd August 2025 at the KIMS Conference Dome.

The event witnessed enthusiastic participation from postgraduate students, interns, faculty members, and specialists from across Karnataka. Over 120 delegates attended the event, contributing to rich academic exchange and discussion.

The inaugural ceremony was graced by Dr.M Ismail Hejamady Chairman Kanachur health sciences Advisory Council, ,Dr.Shanawaz Manipady Dean ,Dr .Sonia Mandappa Chief guest and Dr. Rekhalatha Organising Chairperson and HOD along with other dignitaries and advisors from KIMS. Welcome speech was given by Dr Rekhalatha. Vote of thanks was given by Dr Jameela.

Keynote Talks:

- Understanding the Basics of Genetics in OBGYN Practice by Dr. Deepa Bhat
- PGD – What’s New? by Dr. Fiona D’Souza
- Application of Regenerative Therapy in Gynaecological Practice by Dr. Yogita Rao Mudraddi

Panel Discussion:

Moderated by Dr. Fiona D’Souza and Dr. Sonia Mandappa, with panelists discussing fetal medicine, NIPT results, and evolving clinical approaches in genetics.

E-poster Presentation:

A competitive session showcasing innovative research by postgraduate students.

Quiz Competition:

An interactive quiz session on genetics and reproductive medicine was conducted for PG students.

The event concluded with a valedictory function, where winners of the e-poster competition and quiz were felicitated. 1 KMC credit points were awarded to all eligible attendees. The organizing committee

expressed gratitude to all patrons, speakers, sponsors, and volunteers for making the event a grand success.

National Girl Child Day Brief Report

27-01-2026

The Department of Obstetrics and Gynecology in association with Department of Pediatrics organized a programme on “National Girl Child Day” on 24 th January 2026 headed by Dr.Rekhalatha Professor & HOD of Department of Obstetrics & Gynecology. This event was held to create public awareness as part of initiative by Ministry of woman & child development and Government of India to reduce female foeticide. The day aims to address the gender inequalities, challenges faced by girls and to highlight the importance of creating a supportive environment for their growth and development. The programme, conducted in the ANC Ward began with an introductory speech by Intern Dr.Kaushal , enhancing the awareness about the rights, education, health and empowerment of girls following which a skit was conducted by the Undergraduate students of KIMS who addressed the importance of celebrating the birth of a girl child. Furthermore, they highlighted the contributions of females in all aspects of life, which are often overlooked in our male-dominated society. This day serves as a reminder that we must work to remove all the barriers that a girl child experiences, not just on a national but also global level. Fruits were distributed by OBG Department staff members to all the postnatal mothers in the ward. The talk was well appreciated by the audiences which were around 100 in number consisting of

Antenatal ,Postnatal mothers, General public, Interns, undergraduate & Postgraduate students.

Brief report of Camp Conducted by FOGSI AND P&G HEALTH in association with

the Department of OBG

The Department of Obstetrics and Gynaecology organized a Free Anemia Camp in association with

FOGSI and P&G Health from 9.00 am to 1.00 pm on 19-06-2025 . Health education regarding anemia,

Blood Investigations Hb% and TSH was done for 45 patients.

Dr.Apeksha Upadhyaya ,Assistant Professor of Kanachur Institute of Medical Sciences gave a Lecture on

“One Voice,12 Hb Rise”

Dr.Dipika Kamath welcomed and thanked the Audiences

Around 100 people attended the function

BRIEF NOTE -NOVA IVF FERTILITY FREE CAMP

16-06-2025

The Department of Obstetrics and Gynaecology organized a Free Fertility

Camp by Dr.Shaweez Faizi – Consultant at NOVA IVF Fertility in Association with

OBG Department of Kanachur Hospital and Research Centre.

There was around 36 Patients Participated in the Camp.

Brief report of Guest Lecture Conducted by Department of OBG in association with the Birla Fertility and IVF

A Guest Lecture on “WHAT NEXT AFTER IUI FAILS” was organized by The Department

of Obstetrics and Gynaecology in association with Birla Fertility and IVF on 04-11-2025

from 10.00 am to 11.00 Am. Dr.Gaurav Gujarathi ,Reproductive medicine specialist at

Birla Fertility & IVF Centre gave a Lecture on “WHAT NEXT AFTER IUI FAILS” ,who shared

valuable insights on fertility treatment options, emotional well being ,and the next medical steps following unsuccessful IUI procedures. The Programme began with a MC by Dr.Dipika Kamat , who warmly welcomed the gathering .A welcome speech was delivered by Dr.Rekhalatha Professor and HOD, Department of OBG welcoming the patrons, advisors and the Speaker for the Programme. The Programme is graced by the presence of Dr.Haji U.K.Monu Chairman KIMS, Dr.Mohammed Ismail Hejamady,Chairman Advisory council, Dr.M.V.Prabhu Member Advisory council ,Dr.Shanavaz Manipady Dean KIMS & Dr.Anjan Kumar MS KIMS and a brief introductory speech was given by Dr.Mohammed Ismail Hejamady. The session was moderated by Dr.Prema D Cunha Professor at Kanachur Institute of Medical Sciences. The event saw an enthusiastic participants of around 200 attendees ,including students, faculty members and Health care Professionals. The lecture was highly informative and interactive providing practical guidance and hope to participants. The event concluded with a Vote of Thanks by Dr.Keerti Kyalakond,who appreciated the efforts of organizers ,speaker and constant guidance and support of the patrons and advisors in making the programme a success.

Paediatrics :-

conducted continued medical education (CME) and Workshop in Pediatric Cardiology named “Paediatric Cardiology CME and Workshop - 2025” under the leadership of honourable chairman Dr Haji U.K. Monu and Director Mr. Abdul Rahiman on June 13 th and 14 th , 2025.

Dr Oneil Fernandez, Head of the Department of Pediatrics was the Organizing chairman and Dr Chetan S Tandel was the organising secretary. This was first of a kind of CME in Kanachur Institute of Medical Sciences, solely covering major topics of the pediatric subspeciality - Pediatric Cardiology.

Friday (13-06-2025) the Workshop was started where Dr. Manish Rai did the workshop on ECG followed by Dr. Akkatai on Chest Xrays in Paediatric Cardiology. Both were held in Kanachur Institute of Medical Sciences Drome Hall followed by Lunch. For Afternoon workshop Session, the delegates were Transferred to AJ Hospital Research Centre where 2D ECHO Workshop was conducted jointly by Dr. Prem Alva and Dr. Akkatai.

Saturday (14-06-2025) the CME was started. The speakers for the CME were Dr Krishna Kumar from Amritha Institute Kochi, Dr Sejal Shah from Bangalore, Dr Akkatai from Manipal, Dr Maneesh Rai from KMC hospital, Mangalore, and Dr Prem Alva from A J Institute, Dr Shamshad A Khan from Kanachur Institute of Medical Sciences.

The CME started with the talk by Dr Shamshad A Khan on Kawasaki disease, followed by a talk by Dr.Krishna Kumar on RHD in India Where are we today, Road a head, next talk was by Dr. Maneesh Rai on Approach to syncope then followed by role of Paediatrician in antinety diagnosed CHD.

The inaugural function included the welcome speech by Dr Varsha, Consultant in Pediatrics.

The function was presided by Dr Haji U.K Monu, Chairman- KIET, Mr.Abdul Rahiman, Dr M.V. Prabhu, Dr Shanawaz Manipady, Dr Anjan Kumar A N and Dr Rohan Monis.The patrons acknowledged the enthusiasm of the organising committee for conducting such

interesting academic activities.

The inaugural function was followed by the keynote address by Dr Krishna Kumar on

Building a world class Paediatric Cardiac Programme with limited Resource settings. Dr

Sejal Shah gave a talk Pulmonary hypertension and increase pulmonary resistance what is the

difference what do we know - which was a very interacting and interesting session for the

undergraduate and post-graduate students who attended. This was followed by lunch.

Dr. Prem Alva Spoke on heart failure in children followed by Dr. Akkatai who spoke about

Congenital heart disease in out patient settings. Dr. Prem Alva spoke on Interesting Paediatric

Cardiac Interventions in Cath lab which consisted mainly of intra op images and videos

which was very interacting session for delegates and students. The last session was by Dr.

Akkatai who spoke on when to Intervene in congenital Heart disease.

The sessions were very interactive; each talk was followed by question and answer session

where the audience actively participated in asking their questions and seeking answers from

the expert faculty and in expressing their opinion.

The delegates were awarded 2 KMC credit points for Workshop and 2 KMC points for CME

by the Karnataka Medical Council and were given certificates of participation. The CME was

covered in electronic and print media for continued medical education in a niche area of

pediatrics, especially given it's importance in public health.

Emergency Medicine :-

**SUBJECT – REPORT ON THE CELEBRATION OF WORLD
EMERGENCY**

MEDICINE DAY 2026

The Department of Emergency Medicine, Kanachur Institute of Medical Sciences and Hospital, commemorated World Emergency Medicine Day 2026 on 8 June 2026 at the Hospital

Auditorium. The event was organized to recognize the vital role of Emergency Medicine in healthcare delivery and to promote awareness regarding the importance of timely emergency care, resuscitation, and acute patient management.

The program commenced with a solemn Qur'an Recitation, followed by the rendition of the Naada Geete. A ceremonial plant watering was performed by the dignitaries, symbolizing growth, service, and the institution's commitment to nurturing excellence in healthcare and medical education.

The gathering was formally welcomed by Dr. Boorapu Rupavathi, Assistant Professor, Department of Emergency Medicine, who greeted the dignitaries, faculty members, students, and

guests. In her welcome address, she highlighted the significance of World Emergency Medicine Day and emphasized the growing importance of Emergency Medicine as a specialty dedicated to providing prompt, effective, and life-saving care.

The event was graced by the presence of distinguished patrons and dignitaries including Dr.

Haji U.K. Monu, Chairman; Mr. Abdul Rahiman, Director; Dr. Mohammed Ismail

Hejamady, Chairman, Advisory Council; Dr. M.V. Prabhu, Member, Advisory Council; Dr.

Shahnawaz Manipady, Dean; Dr. Rohan S. Monis, Chief Administrative Medical Officer; Dr.

Anjan Kumar A.N., Medical Superintendent; Dr. Ananth Prasad Rao H.T., Professor,

Department of Emergency Medicine; and Dr. Vijay Kumar S.S., Associate Professor,

Department of Emergency Medicine.

DEPARTMENT OF EMERGENCY MEDICINE

1

Addressing the gathering, Dr. Haji U.K. Monu, Chairman, shared his thoughts on the growth and development of the institution and reiterated the importance of maintaining high standards in patient care, medical education, and community service. He appreciated the efforts of the Department of Emergency Medicine in strengthening emergency healthcare services within the institution.

Dr. Mohammed Ismail Hejamady, Chairman of the Advisory Council, delivered an informative address on the history and evolution of Emergency Medicine. He highlighted the emergence of Emergency Medicine as an independent specialty and emphasized its indispensable role in modern healthcare systems, particularly in ensuring rapid assessment and management of critically ill and injured patients.

In his address, Mr. Abdul Rahiman, Director, reflected on the journey of establishing the Department of Emergency Medicine and discussed the institution's efforts in introducing and strengthening emergency care services in the region. He emphasized the need for continued development of emergency healthcare infrastructure and training to meet the growing demands of the community.

Dr. Shahnawaz Manipady, Dean, congratulated the Department of Emergency Medicine on its achievements and acknowledged its contributions in clinical care, academics, training, and research activities. He appreciated the dedication of the faculty members, residents, students, and support staff in advancing the specialty within the institution. As part of the inaugural program, certificates and prizes were distributed by the dignitaries to the

winners of the various competitions organized in connection with World Emergency Medicine Day 2026. Awards were presented to participants who excelled in the Spot Painting Competition, Poster Presentation Competition, Photography Contest, and ER Files Competition.

The inaugural ceremony concluded with a Vote of Thanks delivered by Dr. Vijay Kumar S.S., Associate Professor, Department of Emergency Medicine, who expressed gratitude to the management, dignitaries, faculty members, students, participants, organizing committee

DEPARTMENT OF EMERGENCY MEDICINE

1

members, media personnel, and support staff for their invaluable contribution towards the successful conduct of the event.

Following the inaugural session, several academic and skill-based activities were conducted.

These included a Quiz Competition, which tested participants' knowledge of emergency

medicine and related healthcare topics; a Cricothyroidotomy Competition, which provided

participants an opportunity to demonstrate emergency airway management skills; and a

Treasure Hunt, which encouraged teamwork, communication, critical thinking, and problem-solving among the participants.

The activities witnessed enthusiastic participation from undergraduate students, interns,

postgraduate residents, and allied health science students. The event provided a valuable

platform for learning, interaction, and skill enhancement while fostering greater awareness and

interest in the field of Emergency Medicine.

The celebration concluded successfully with active participation from students, faculty members,

healthcare professionals, and institutional leadership. The event served as an opportunity to recognize the significance of Emergency Medicine, encourage academic engagement, and strengthen the culture of preparedness and teamwork that forms the foundation of quality emergency care.

The Department of Emergency Medicine expresses its sincere gratitude to the management, administration, dignitaries, faculty members, students, participants, media representatives, and support staff for their support and cooperation in making the World Emergency Medicine Day 2026 celebration a meaningful and successful event.

Nerve Block and Vasculo-POCUS Workshop Report

The Department of Emergency Medicine, Kanachur Institute of Medical Sciences, successfully organized the “Nerve Block and Vasculo-POCUS Workshop: From Probe to Practice” on 29th October 2025 at Drome Hall, Kanachur Institute of Medical Sciences, Mangaluru, in collaboration with the World Academic Congress of Emergency Medicine (WACEM).

The workshop was conceived with the objective of enhancing the knowledge and practical skills of healthcare professionals in ultrasound-guided regional anesthesia and vascular access techniques, which have become increasingly important in modern emergency and acute care practice.

The inaugural ceremony was graced by Dr. Haji U.K. Monu, Chairman, KIMS, Dr. Shahnawaz Manipady, Dean, KIMS, Dr. Mohammed Ismail Hejamady, Chairman, Advisory Council, Dr. M. Venkataraya Prabhu, Member, Advisory Council, Dr. Rohan Monis, Chief Administrative Medical Officer, and Dr. Anjan Kumar, Medical Superintendent, whose presence and

encouragement added immense value to the event.

The event was organized under the leadership of Dr. Vijay Kumar S S, Organizing Secretary,

Department of Emergency Medicine, with the support of Dr. Ananth Prasad, Associate

Professor, Dr. Boorapu Rupavathi, Assistant Professor, and the postgraduate residents of the

Department of Emergency Medicine.

The academic sessions were led by Dr. Manu Ayyan, Associate Professor of Emergency

Medicine, JIPMER, Puducherry, who served as the Course Director.

The workshop brought

together an eminent panel of national faculty comprising Dr. Md.

Yunus, Professor of

Emergency Medicine, AIIMS Bhopal; Dr. Saurabh Trivedi,

Assistant Professor of Emergency

Medicine, AIIMS Bhopal; Dr. Vineeth, Consultant and Head, Aster

MIMS, Kozhikode; Dr.

Archana Nair, Senior Resident, AIIMS New Delhi; Dr. Jyothi

Swaroop, Senior Resident, AIIMS

New Delhi; and Dr. Mohammed Imran, Senior Resident, JIPMER

Puducherry.

The scientific program included focused lectures on the

fundamentals of ultrasound-guided nerve

blocks, ergonomics, pharmacology, complications, brachial plexus

blocks, trunk blocks, lower

limb blocks, peripheral nerve blocks, vascular ultrasound, and

stellate ganglion block

applications. The sessions emphasized the growing role of point-of-

care ultrasound in improving

patient comfort, procedural success, and safety in emergency

settings.

A major highlight of the workshop was the extensive hands-on

training component. Participants

rotated through six dedicated skill stations, where they received

supervised training in needle

guidance techniques, sonoanatomy identification, vascular access

procedures, and various upper

limb, trunk, and lower limb nerve blocks. The interactive format

allowed participants to gain

practical experience under direct expert supervision and facilitated meaningful discussion

between faculty and delegates.

The workshop witnessed enthusiastic participation from postgraduate residents, faculty

members, and healthcare professionals from various institutions.

Participants appreciated the

practical orientation of the program, the accessibility of the faculty, and the opportunity to refine

procedural skills in a structured learning environment.

The Department of Emergency Medicine expresses its sincere gratitude to the Management,

Administration, Dean's Office, Medical Superintendent's Office, faculty members, volunteers,

and support staff whose encouragement and assistance contributed significantly to the success of

the workshop. The program stands as another milestone in the department's ongoing commitment

to advancing emergency medicine education, procedural competency, and patient-centered care.

Anaesthesiology :-

Department of Anaesthesiology

The Department of Anaesthesiology & Critical Care, Kanachur Institute of Medical Sciences

(KIMS), conducted a workshop on "Point of Care Ultrasound: Focus on POCUS" in association

with ISACON Karnataka 2025 – The Karnataka State Anaesthesia Conference.on 7 th August

2025 at the KMS Conference drome with Dr.Azam Danish as Course Director & Dr.Vincent

Mathias as course co-ordinator

The event witnessed enthusiastic participation from postgraduates, faculty members and

specialists from across Karnataka.

The inaugural ceremony was graced by: ● Dr. Haji U.K. Monu, Chairman of KIMS

● Mr. Abdul Rahiman, Director of KIMS ● Dr. Ismail hejamady, Chairman of KIMS Advisory Council ● Dr. M.V. Prabhu, Member Kanachur Health Sciences Advisory Council ● Dr. Shahnawaz Manipady, Dean of KIMS ● Dr. Anjan Kumar A.N., M.S. of Kanachur Hospital ● Dr. Rohan S. Monis, Chief Administrative Officer of Kanachur Hospital along with other dignitaries and advisors. Welcome speech was given by Dr. Fathimath Rifna. Vote of thanks was delivered by Dr. Samuel Kunder.

Keynote Talks

- Echo during Cardiac Arrest – Dr. T.A. Patel
- TCD & TCCD – Dr. Sudhir V

Live Master Demonstrations :

- Airway Ultrasound – Dr. Tejesh
- Gastric US – Dr. Shruthi
- eFAST – Dr. Renuka
- Hemodynamics – Dr. Hima
- TCD & TCCD – Dr. Sudhir V
- Lung Ultrasound – Dr. Azam

It was followed by hands-on training at every station of about 30 minutes each.

Quiz Competition:

The session ended with an interactive, engaging quiz session, and open Q&A session on POCUS.

The event concluded with a valedictory function. The organizing committee, headed by Dr.

Ashwin AB, expressed gratitude to all patrons, speakers, sponsors and volunteers for making the event a grand success.

Invitation

Dear Dr. Azam

We request your esteemed presence as faculty for the upcoming 'Point of care ultrasound workshop' under the auspices of the 39th annual conference of the ISA, Karnataka State branch (ISACON 2025), to be held on the 7th August 2025 at Kanachur Institute of Medical Sciences, Deralakatte, Mangalore, Karnataka.
Thanking you
