

CM Siddaramaiah Inaugurates the new land mark clock tower at Deralakatte

The newly constructed Kanachur Clock Tower at Deralakatte, Mangaluru, was inaugurated on 3 December 2025 by the Hon'ble Chief Minister of Karnataka, Siddaramaiah. The clock tower has been developed as a prominent landmark at the Kanachur Circle and symbolizes the growth and development of the region. The structure has been established with the generous support of the Kanachur Islamic Education Trust under the visionary leadership of its Chairman Dr. Haji U. K. Monu, along with the dedicated support of his son Mr. Abdul Rahiman, whose initiative reflects a strong commitment to social responsibility and community development.

The programme was graced by several distinguished dignitaries including U. T. Khader, Hon'ble Speaker of the Karnataka Legislative Assembly; K. C. Venugopal, Member of Parliament (Lok Sabha) and AICC General Secretary; Dinesh Gundu Rao, Hon'ble Minister for Health & Family Welfare and District In-charge Minister, Dakshina Kannada; and B.Z. Zameer Ahmed Khan, Hon'ble Minister for Housing, Waqf and Minority Welfare, Government of Karnataka.

Other dignitaries present included Naseer Ahmed, Political Secretary to the Chief Minister of Karnataka; D. Veerendra Heggade, Member of Parliament (Rajya Sabha); Brijesh Chowta, Member of Parliament (Lok Sabha), Dakshina Kannada; Manjunath Bhandary, MLC; Ivan D'Souza, MLC; S. L. Bhoje Gowda, MLC; K. Pratap Simha Nayak, MLC; Dhananjaya Sarji, MLC; and Kishor B.R., MLC of the Karnataka Legislative Council.

The clock tower stands today as a proud landmark reflecting the region's progress and the community's spirit of development. The community expresses its heartfelt appreciation to Dr. Haji U. K. Monu and Mr. Abdul Rahiman for their generous contribution and dedication toward this noble social cause.

Ayurpraveshika

The Shishyopanayaneeya Samskara and NABH Accreditation Awarding Ceremony was held at Kanachur Ayurveda Medical College & Hospital, marking the induction of the first batch of BAMS students and the awarding of NABH Accreditation to Kanachur Ayurveda

Hospital. The event was attended by dignitaries, faculty members, parents, and students.

The programme began with an invocation by Ms. Rahila and Ifana, followed by the Karnataka State Anthem. Sri Abdul Rahiman, Director of Kanachur Institute of Medical Sciences, delivered the welcome address. The ceremony was inaugurated by watering the sacred Tulsi plant, and Dr. Vidhyaprabha R, Principal, addressed the gathering on the significance of the inaugural batch.

The central ritual involved tying the sacred thread containing the Medhya herb Vacha, inaugurated by Chief

Guest Sri Sudheer Kumar Reddy, IPS, Police Commissioner, Mangalore, after the students performed Dhanwantari Pushparchana. The students then took the Charaka Oath, administered by Mrs. Thridala.

Addresses were delivered by Sri Sudheer Kumar Reddy, Sri

Arjun S. Odeyar, Registrar, RGUHS and Dr. Ifthikar Fareed, while Dr. Haji U. K. Monu delivered the Presidential Address highlighting the importance of NABH accreditation.

The programme concluded with a vote of thanks by Dr. Suresh Negalaguli and the National Anthem.

Future in Focus: Innovation in Obstetrics & Gynecology

The Department of OBG, Kanachur Institute of Medical Sciences (KIMS), in association with KCOG and the Mangalore Obstetrics & Gynaecological Society, successfully organized a one-day academic conference titled "Future in Focus: Genetics & Regenerative Therapies Redefined" on 3rd August 2025 at the KIMS Conference Dome.

The event witnessed enthusiastic participation from postgraduate students, interns, faculty members, and specialists from across Karnataka. Over 120 delegates attended the event, contributing to rich academic exchange and discussion.

The inaugural ceremony was graced by Dr. M Ismail Hejamady, Chairman, Kanachur health sciences Advisory Council, Dr Shahnaz Manipady Dean, Dr. Sonia Mandappa Chief guest and Dr. Rekhalatha Organising Chairperson and

HOD along with other dignitaries and advisors from KIMS. Welcome speech was given by Dr Rekhalatha. Vote of thanks was given by Dr Jameela.

- Keynote Talks:
 - Understanding the Basics of Genetics in OBGYN Practice by Dr. Deepa Bhat
 - PGD - What's New? by Dr. Fiona D'Souza
 - Application of Regenerative Therapy in Gynaecological Practice by Dr. Yogita Rao Mudraddi
- Panel Discussion: Moderated by Dr. Fiona D'Souza and Dr. Sonia Mandappa, with panelists discussing fetal medicine, NIPT results, and evolving clinical approaches in genetics.
- E-poster Presentation: A competitive session showcasing innovative research by postgraduate students.
- Quiz Competition: An interactive quiz session on genetics and reproductive medicine was conducted for PG students.

The event concluded with a valedictory function, where winners of the e-poster competition and quiz were felicitated. 1 KMC credit points were awarded to all eligible attendees. The organizing committee expressed gratitude to all patrons, speakers, sponsors, and volunteers for making the event a grand success.

Breast Feeding Week 2025

On the occasion of world breastfeeding week 2025, the department of paediatrics, Kanachur Institute Of Medical Sciences held various activities for the nursing and MBBS students.

On 4th of August, 2025, an interactive & informative quiz session was held for the nursing students in which 8 groups of nursing students took part. It was held in OBG seminar hall, with Dr. Prithvi as the quiz master from 10.00 am to 11.30 am.

On 5th of August, poster competition was judged (last date of submission was 4th August, 2025) by Dr. Oniell Fernandes (HOD Dept of Paediatrics), Dr. Rekhalatha (HOD Dept of OBG) & Mrs. Molly Saldhana (Principal of Kanachur Nursing college). There were 2 prizes per batch of MBBS students.

On 6th of August, there was an informative talk by the lactation educator, Mrs. Maina Shet, from KMC corporate hospital who spoke about strengthening the mothers for breastfeeding by encouraging her. The function was presided by Dr. Haji. U.K. Monu (Chairman, Kanachur Institute of medical sciences), & also Dr. Ismail Hejamady (Chairman, Kanachur Health Sciences Advisory council), Dr. M V Prabhu (Member, Kanachur Health Sciences Advisory council), Dr. Shahnaz Manipady (Dean, Kanachur Institute of Medical Sciences), Dr. Anjan Kumar

(Incharge MS, Kanachur Hospital), Dr. Rohan S Monis (CAO, Kanachur Hospital) were present for the program. The program was welcomed by Dr. Oniell Fernandes (HOD, Dept of paediatrics), hosted by the master of ceremony, Dr. Dylan

D'Souza (Senior resident, Dept of paediatrics). The prizes of events were distributed to the winners on the same day & vote of thanks was given by Dr. Prithvi (co-ordinator of the program, SR, Dept of Paediatrics).

Awareness Program on Drug Abuse among Adolescents

Mr. Azeemuddin's talk on drug abuse, held on August 8, 2025, was a significant initiative aimed at educating students of class 9 and 10 about the dangers of substance abuse. The session highlighted the risks associated with consuming drugs like opium, gutka, and tobacco, emphasizing that addiction can hinder success and have severe health implications. Substance abuse poses significant health risks, including liver damage, heart problems, respiratory issues, cancer, and mental health disorders. These risks can lead to chronic diseases, severe health complications, and even death. By educating students about these risks, Mr. Azeemuddin's talk provided

valuable insights into the importance of avoiding substance abuse.

This initiative aligns with the Nasha Mukta Bharat Abhiyaan, a government-led campaign that seeks to create mass awareness about the harmful effects of substance abuse and build a drug-free society through education and community involvement. By working together, we can empower individuals to make informed choices and promote a healthier, substance-free lifestyle. The talk was informative and engaging, helping students understand the importance of prioritizing their health and well-being.

MP Brijesh Chowta Inaugurates MBBS Decennial batch white coat ceremony

The White Coat Ceremony for the Decennial MBBS Batch (2025 batch) of Kanachur Institute of Medical Sciences was held at the Conference Drome marking the formal induction of first-year MBBS students into the medical profession.

The event was attended by Chief Guest Captain Brijesh Chowta, Member of Parliament, Lok Sabha, Dakshina Kannada District, and Guest of Honour Vedavyas Kamath, Member of Karnataka Legislative Assembly, Mangalore South.

The program began with a welcome speech delivered by the Mr. Abdul Rahiman, Director of Kanachur Institute of Medical Sciences, Dr. Rohan Monis, Chief Medical Administrator, spoke about the significance of the white

coat as a symbol of responsibility, compassion, and professionalism. The white coats were then distributed to the students by the dignitaries, followed by the oath-taking ceremony administered by the Dean, Dr. Shanavaz Manipady.

Dr. Mohammed Ismail Hejamady, Chairman, Kanachur Health Sciences Advisory Council and Dr. M. Venkataraya Prabhu, Member, Kanachur Health Sciences Advisory Council also addressed the gathering.

The programme concluded with the presidential address by the Hon'ble Dr. Haji U.K. Monu and a vote of thanks by Dr. Roshan, HOD of Anatomy. The ceremony ended with the National Anthem.

Session on climate change and sustainable practices

On September 2, 2025, Kanachur Public School hosted a pivotal climate change awareness session, featuring Mrs. Deekshitha K, Assistant Professor of Civil Engineering at NMAM Institute of Technology - Nitte. The event aimed to

educate participants about climate change and sustainable practices, emphasizing the importance of individual and collective actions in mitigating its impacts.

Mrs. Deekshitha K shared valuable insights, engaging the students with her expertise. Principal Mrs. Karen D'Souza warmly welcomed the chief guest, Mrs. Deekshitha K, with a floral ceremony. Mrs. Lynette D'Souza, Principal of the Pre-Primary Section, was also present, adding to the significance of the event.

The session concluded with a vote of thanks, expressing gratitude to the resource person, Principal, and guests. This successful event inspired participants to take action towards a greener future, highlighting the significance of sustainable practices in combating climate change.

AICS Table tennis tournament Table Tennis Titans

On September 1st, 2025, Kanachur Public School hosted the AICs Interschool Table Tennis Tournament, aptly named "Table Tennis Titans". The event was attended by chief guest Mr. Ashwin Kumar Padukone, a renowned table tennis coach. Chairman Dr. Haji U K Monu addressed the gathering, accompanied by Mr. Abdul Rahiman, Correspondent of Kanachur Academy of General Education; Mrs. Umayya Banu, Trustee of Kanachur Islamic Education Trust; and Dr. Rohan Monis, Chief Administrative Officer of Kanachur Institute of Medical Sciences. Principals from various wings of Kanachur institutions were also present.

Principal Mrs. Karen D'Souza welcomed and appreciated the chief guest, Mr. Padukone, for his exceptional skills and sportsmanship in table tennis. A total of 17 schools participated in the tournament, which was a thrilling event. The winners from St. Theresa School were felicitated, and the event was truly successful.

Kanachur Public School, Deralakatte, Mangalore, received the prestigious Jury Award for Dynamic Schools at the Karnataka Education Summit 2025 on 14 October at Radisson Blu, Mysuru. The recognition highlights the school's commitment to innovative education and community outreach.

A Day at Seva Ashram

The students of Grade X visited Seva Ashram on October 18th as part of an outreach program. The students showcased a wonderful performance with various activities and donated fruits and groceries, and took their blessings.

Teddy Clinic at Kanachur Pre-School

Kanachur Pre-School hosted a delightful Teddy Clinic to help young learners overcome their fear of doctors through fun-filled role play. Children brought their favourite soft toys, which were treated as 'patients' in a mini clinic set up for the session.

The medical team from Kanachur Hospital, led by Dr. Rohan and Dr. Dylan, along with Postgraduates and Interns from the Departments of Emergency Medicine and Pediatrics, conducted the activity with great enthusiasm.

Mrs. Lynette Dsouza, Principal of Kanachur Pre-School, warmly welcomed the gathering, while Mrs. Karen Dsouza, Principal of Kanachur Public School, graced the occasion and extended her full support. Mrs. Umayya Banu, Trustee of KIET, attended as the Chief Guest and appreciated the thoughtful initiative.

The event left every child smiling, confident, and more comfortable with healthcare settings - turning learning into a joyful experience

Swasth Nari, Sashakth Parivar Abhiyan

The Department of Community Medicine conducted health camp under Swasth Nari, Sashakth Parivar Abhiyan on 25th September 2025 for the students of Kanachur Institute of Management and Science. Dr. Haji U.K. Monu delivered the presidential address, congratulating the organizing team for thoughtfully presenting a workshop on such a vital and impactful area of care. Prof. Mrs. Sherin Joseph proposed the vote of thanks. Further Dr. Smitha Carol Saldanha, presented insights pertaining to Safe and Holistic Chemotherapy Practice, Handling and management of complication during infusion. In the afternoon, Mr. Bavadeesh Reddy, Senior Area Manager, BARD India Health Care Pvt. Ltd., conducted a hands-on skill training session on Chemo Ports and PICC Line Care, demonstrating device handling, maintenance techniques, and best practices to ensure safe and effective vascular access management."

A total of 170 delegates including staff nurses and B.Sc. Nursing students from Kanachur and various institutions participated in the workshop.

The valedictory session at 4:00 pm featured a report by Ms. Divya ,Organizing Joint Secretary followed by delegate feedback and the distribution of certificates by the Principal and Vice Principal.

The workshop delivered a meaningful blend of updated oncology knowledge, practical skills, and professional learning for all participants.

Health Awareness Session by Department of Community Medicine

The health awareness talk was given to 400 students of Kanachur PU college from 10-11 AM on November 20th 2025 in the PU College auditorium . The talk was given by Dr. Shwetha P(Assistant professor) and Dr. Fathma kalam (Senior Resident) from Department of Community Medicine. The programme was coordinated by Mrs. Shahida,Principal of Kanachur PU College. It was to

enhance health awareness among adolescents.

The period of transition from childhood to adulthood is Adolescence (10-19 years). During this period there is accelerated physical, mental and emotional development. Nutritional needs are increased during adolescence because of the increased growth rate and changes in the body associated with puberty.

It aimed to educate participants about the interrelation between nutrition, stress, anxiety, PCOS. Balanced diet , stress management and regular physical activity can help alleviate PCOS symptoms and improve overall health. There was good involvement from students and the session was interactive .

World AIDS Day 2025: Awarex Quiz Competition by the Department of Community Medicine

(State-Level Intercollegiate Quiz Competition)

Theme: Overcoming Disruption, Transforming the AIDS Response

On the occasion of World AIDS Day 2025, the Department of Community Medicine, MVJ Medical College and Research Hospital, in collaboration with the Indian Association of Preventive and Social Medicine (IAPSM), Karnataka State Chapter, organized a state-level intercollegiate quiz competition-AWAREX 2025. The event aimed to strengthen awareness, enhance academic engagement, and reinforce the commitment of budding medical professionals toward addressing the ongoing challenge of HIV/AIDS prevention, control, and stigma reduction.

The response to the competition was remarkable, with 321 teams from various medical colleges across Karnataka

registering for participation. The preliminary online quiz was conducted on 21st November 2025, marking the first phase of the event. The structure assessed participants on a range of domains including epidemiology, diagnostics, treatment strategies, national programs, global HIV perspectives, and public health responses.

The Kanachur Institute of Medical Sciences demonstrated enthusiastic involvement and academic spirit, proudly represented by 28 teams, each comprising three undergraduate MBBS students. Their participation reflected dedication, preparation, and an eagerness to engage with public health priorities on a broader academic platform.

Award Holistic Development

We are proud that Kanachur Public School has received an award under the Category-CBSE Parameter wise for 'Holistic Education' in a survey conducted by Education Today.
